AUSTIN, Texas, Aug. 06, 2025 (GLOBE NEWSWIRE) -- Open Lending Corporation (Nasdaq: LPRO) (the "Company" or "Open Lending"), an industry trailblazer in lending enablement and risk analytics solutions for financial institutions, today reported financial results for its second quarter ended June 30, 2025.

"I am pleased with our progress as the team executes against our strategy to increase profitability and reduce volatility in our unit economics, to improve customer retention, to streamline the business, and to align incentives across the entire organization," said Jessica Buss, Chief Executive Officer of Open Lending. "We believe our value proposition remains strong and differentiated as highlighted by the early extension of our relationship with AmTrust, our largest insurance provider and a trusted partner for over a decade. We thank them for their continued support and dedication to our mission to serve the underserved."

- Total revenue was \$25.3 million during the second quarter of 2025, compared to \$26.7 million in the second quarter of 2024. The second quarter of 2025 was impacted by an increase of \$0.3 million in estimated profit share revenues related to business in historic vintages as compared to a \$6.7 million reduction in the second quarter of 2024.
- Gross profit was \$19.8 million during the second quarter of 2025, compared to \$21.0 million in the second quarter of 2024.

- Adjusted EBITDA was \$4.1 million during the second quarter of 2025, compared to \$6.8 million in the second quarter of 2024.

Adjusted EBITDA is a non-GAAP financial measure. Beginning in the quarter ended June 30, 2025, we have updated the presentation of Adjusted EBITDA to exclude interest income as we believe the exclusion of interest income aligns our definition with comparable companies. Prior periods presented have been conformed to the current period presentation.

A reconciliation of this non-GAAP financial measure to its most directly comparable GAAP financial measure is provided in the financial table included at the end of this press release. An explanation of this measure and how it is calculated is also included under the heading "Non-GAAP Financial Measures."

Third Quarter 2025 Outlook

For the third quarter of 2025, the Company currently expects total certified loans to be between 22,500 and 24,500.

Non-GAAP Financial Measures

The non-GAAP financial measures included in this press release are financial information that has not been prepared in accordance with GAAP. The Company uses Adjusted EBITDA and Adjusted EBITDA margin internally in analyzing our financial results and believes these measures are useful to investors, as a supplement to GAAP measures, in evaluating our ongoing operational performance. The Company believes that the use of non-GAAP financial measures provides an additional tool for investors to use in evaluating ongoing operating results and trends and in comparing our financial results with other companies in our industry, many of which present similar non-GAAP financial measures to investors.

The Company believes these measures provide useful information to investors and others in understanding and evaluating its operating results in the same manner as its management and board of directors. In addition, these measures provide useful measures for period-to-period comparisons of our business, as they remove the effect of certain non-cash items and certain non-recurring variable charges.

Adjusted EBITDA is defined as GAAP net income (loss) excluding interest expense, interest income, income tax expense, depreciation and amortization expense, and share-based compensation expense. Adjusted EBITDA margin is defined as Adjusted EBITDA expressed as a percentage of total revenue.

Non-GAAP financial measures should not be considered in isolation from, or as a substitute for, financial information prepared in accordance with GAAP. Investors are encouraged to review the reconciliation of non-GAAP financial measures to their most directly comparable GAAP financial measure provided in the financial statement tables included below in this press release.
