You may attend the meeting virtually via the Internet at www.proxydocs.com/LPRO, where you will be able to view the meeting live, vote electronically and submit questions. You will need the 12-digit control number, which is located on the Notice of Internet Availability that you received in the mail, on your proxy card or in the instructions accompanying your proxy materials, to attend the annual meeting.

We are holding the Annual Meeting for the following purposes, as more fully described in the accompanying proxy statement:

Under Securities and Exchange Commission rules, the Company is providing access to the proxy materials for the Annual Meeting to shareholders via the Internet. Accordingly, you can access the proxy materials and vote at www.proxydocs.com/LPRO. Instructions for accessing the proxy materials and voting are described below and in the Notice of Annual Meeting that you received in the mail.

Your vote is very important. Whether or not you plan to attend the meeting, please carefully review the enclosed proxy statement and then cast your vote, regardless of the number of shares you hold.

If you are a stockholder of record, you may vote over the Internet, by telephone, or, if you request to receive a printed set of the proxy materials, by completing, signing, dating and mailing the accompanying proxy card in the return envelope. Submitting your vote via the Internet or by telephone or proxy card will not affect your right to vote online during the virtual meeting if you decide to attend the Annual Meeting. If your shares are held in street name (held for your account by a broker or other nominee), you will receive instructions from your broker or other nominee explaining how to vote your shares, and you will have the option to cast your vote by telephone or over the Internet if your voting instruction form from your broker or nominee includes instructions and a toll-free telephone number or Internet website to do so. In any event, to be sure that your vote will be received in time, please cast your vote by your choice of available means at your earliest convenience.

We hope that you will join us on May 25, 2021. Your investment and continued interest in Open Lending are very much appreciated.

**PROXY STATEMENT
FOR THE 2021 ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON MAY 25, 2021
AT 10:00 AM CENTRAL TIME**

GENERAL INFORMATION

Why are you holding a virtual Annual Meeting?

Our annual meeting will be held solely in a virtual format, which will be conducted via a live video webcast and online stockholder tools. We have created and implemented the virtual format in order to facilitate stockholder attendance and participation by enabling stockholders to participate fully and equally from any location around the world, at no cost. However, you will bear any costs associated with your Internet access, such as usage charges from Internet access providers and telephone companies. A virtual annual meeting makes it possible for more stockholders (regardless of size, resources or physical location) to have direct access to information more quickly, while saving the Company and our stockholders time and money. We also believe that the online tools we have selected will increase stockholder communication.

When are the proxy statement and the accompanying material scheduled to be sent to stockholders?

We have elected to provide access to our proxy materials to our stockholders via the Internet. Accordingly, on or about April 14, 2021, we will begin mailing to our stockholders a Notice of Internet Availability containing instructions on how to access our proxy materials, including our proxy statement and our 2020 Annual Report on Form 10-K. The Notice of Internet Availability also instructs you on how to submit your proxy or voting instructions through the Internet or to request a paper copy of our proxy materials, including a proxy card or voting instruction form that includes instructions on how to submit your proxy or voting instructions by mail or telephone. For shares held in street name (held for your account by a broker or other nominee), you will receive a voting instruction form from your broker or nominee. The Annual Report on Form 10-K for the year ended December 31, 2020 is available on our website at <https://investors.openlending.com/>.

Why did I receive a Notice of Internet Availability of Proxy Materials instead of a full set of proxy materials?

Pursuant to rules adopted by the Securities and Exchange Commission, or the SEC, we are providing access to our proxy materials over the Internet rather than printing and mailing the proxy materials. We believe electronic delivery will expedite the receipt of materials, will help lower our costs and reduce the environmental impact of our annual meeting materials. Therefore, a Notice of Internet Availability will be mailed to holders of record and beneficial owners of our common stock starting on or around April 14, 2021. The Notice of Internet Availability will provide instructions as to how stockholders may access and review the proxy materials, including the Notice of Annual Meeting, proxy statement, proxy card, and Annual Report on Form 10-K, on the website referred to in the Notice of Internet Availability or, alternatively, how to request that a copy of the proxy materials, including a proxy card, be sent to stockholders by mail. The Notice of Internet Availability will also provide voting instructions. In addition, stockholders of record may request to receive the proxy materials in printed form by mail, or electronically by e-mail, on an ongoing basis for future stockholder meetings. Please note that while our proxy materials are available at the website referenced in the Notice of Internet Availability, and our Notice of Annual Meeting, proxy statement and Annual Report on Form 10-K are available on our website, no other information contained on either website is incorporated by reference in or considered to be a part of this document.

Who is soliciting my vote?

The board of directors of Open Lending Corporation is soliciting your vote for the 2021 Annual Meeting of Stockholders.

Who is entitled to vote?

Holders of our common stock on the close of business on April 5, 2021 (the “Record Date”) may vote at the Annual Meeting. As of the Record Date, a total of 126,803,096 shares of common stock of the Company were outstanding and entitled to be voted at the meeting. Each share of common stock is entitled to one vote on each matter.

Registered Stockholders. If shares of our common stock are registered directly in your name with our transfer agent, you are considered the stockholder of record with respect to those shares and the Notice was provided to you directly by us. As the stockholder of record, you have the right to grant your voting proxy directly to the individuals listed on the proxy card or to vote live at the Annual Meeting. Throughout this proxy statement, we refer to these registered stockholders as “stockholders of record.”

Street Name Stockholders. If shares of our common stock are held on your behalf in a brokerage account or by a bank or other nominee, you are considered to be the beneficial owner of shares that are held in “street name,” and the Notice was forwarded to you by your broker, bank or other nominee, who is considered the stockholder of record with respect to those shares. As the beneficial owner, you have the right to direct your broker, bank or other nominee as to how to vote your shares. Beneficial owners are also invited to attend the Annual Meeting. However, since a beneficial owner is not the stockholder of record, you may not vote your shares of our common stock live at the Annual Meeting unless you follow your broker, bank or other nominee’s procedures for obtaining a legal proxy. If you request a printed copy of our proxy materials by mail, your broker, bank or other nominee will provide a voting instruction form for you to use. Throughout this proxy statement, we refer to stockholders who hold their shares through a broker, bank or other nominee as “street name stockholders.”

How do I vote?

If you are a stockholder of record and your shares are registered directly in your name, you may vote:

- **By Internet.** Access the website of the Company’s tabulator, www.proxydocs.com/LPRO, using the voter control number printed on the furnished proxy card. Your shares will be voted in accordance with your instructions. You must specify how you want your shares voted or your Internet vote cannot be completed and you will receive an error message. If you vote on the Internet, you may also request electronic delivery of future proxy materials.
- **By Telephone.** Call 1-866-870-6982 toll-free from the U.S., U.S. territories and Canada, and follow the instructions on the enclosed proxy card. Your shares will be voted in accordance with your instructions. You must specify how you want your shares voted or your telephone vote cannot be completed.
- **By Mail.** Complete and mail a proxy card in the enclosed postage prepaid envelope to P.O. Box 8016, Cary, NC 27512-9903. Your proxy will be voted in accordance with your instructions. If you sign and return the enclosed proxy but do not specify how you want your shares voted, they will be voted **FOR** the director nominees named herein to the Company’s board of directors and **FOR** the ratification of Ernst & Young LLP as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2021, and will be voted according to the discretion of the proxy holder upon any other business that may properly be brought before the meeting and at all adjournments and postponements thereof. If you are mailed or otherwise receive or obtain a proxy card or voting instruction form, and you choose to vote by telephone or by Internet, you do not have to return your proxy card or voting instruction form.

[Table of Contents](#)

- **By Internet at the Annual Meeting.** Instructions on how to attend and vote at the Annual Meeting are described at www.proxydocs.com/LPRO.

If your shares of common stock are held in street name (held for your account by a broker or other nominee):

- **By Internet or By Telephone.** You will receive instructions from your broker or other nominee if you are permitted to vote by Internet or telephone.
- **By Mail.** You will receive instructions from your broker or other nominee explaining how to vote your shares by mail.

How do I attend the Annual Meeting online?

We will be hosting our Annual Meeting via live webcast only. Any stockholder can attend the Annual Meeting live online at www.proxydocs.com/LPRO. The webcast will start at 10:00 a.m. Central Time on May 25, 2021. Stockholders may vote and ask questions while attending the Annual Meeting online. In order to be able to attend the Annual Meeting, you will need the 12-digit control number, which is located on your Notice of Internet Availability, on your proxy card or in the instructions accompanying your proxy materials. Instructions on how to participate in the Annual Meeting are also posted online at www.proxydocs.com/LPRO.

What matters am I voting on?

You will be voting on:

- Proposal 1: the election of three Class I directors for a three-year term;
- Proposal 2: the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2021; and
- any other business that may properly come before the meeting or any adjournment thereof.

What are the Board of Director's recommendations on how to vote my shares?

The board of directors recommends a vote:

Proposal 1: **FOR** election of the three Class I director nominees (page 14)

Proposal 2: **FOR** ratification of the selection of Ernst & Young LLP as the Company's independent registered public accounting firm (page 15)

What vote is required to approve each item and how are votes counted?

Votes cast by proxy or online at the Annual Meeting will be counted by the persons appointed by the Company to act as tabulators for the meeting. The tabulators will count all votes FOR and AGAINST, abstentions and broker non-votes, as applicable, for each matter to be voted on at the Annual Meeting. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

Proposal 1—Election of three Class I director nominees

The election of directors requires a plurality of the voting power of the shares of our common stock present in person or by proxy at the Annual Meeting and entitled to vote thereon to be approved. "Plurality" means that the

[Table of Contents](#)

nominees who receive the largest number of votes cast “For” such nominees are elected as directors. As a result, any shares not voted “For” a particular nominee (whether as a result of stockholder abstention or a broker non-vote) will not be counted in such nominee’s favor and will have no effect on the outcome of the election. You may vote “For” or “Withhold” on each of the nominees for election as a director. Withheld votes and broker non-votes will have no effect on the outcome of this proposal.

Proposal 2—Ratification of selection of Ernst & Young LLP as our independent registered public accounting firm

The ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2021, requires the affirmative vote of a majority of the voting power of the shares of our common stock present in person or by proxy at the Annual Meeting and entitled to vote thereon to be approved. Abstentions and broker non-votes will have no effect on the ratification.

Could other matters be decided at the Annual Meeting?

The Company does not know of any other matters that may be presented for action at the Annual Meeting. Should any other business come before the meeting, the persons named on the enclosed proxy will have discretionary authority to vote the shares represented by such proxies in accordance with their best judgment. If you hold shares through a broker, bank or other nominee as described above, they will not be able to vote your shares on any other business that comes before the Annual Meeting unless they receive instructions from you with respect to such matter.

Who pays the cost for soliciting proxies?

The Company will pay the cost for the solicitation of proxies by the board of directors. The solicitation of proxies will be made primarily by mail and through internet access to materials. Proxies may also be solicited personally, by telephone, fax or e-mail by employees of the Company without any remuneration to such individuals other than their regular compensation. The Company will also reimburse brokers, banks, custodians, other nominees, and fiduciaries for forwarding these materials to their principals to obtain the authorization for the execution of proxies.

How do I vote shares held in street name?

If your shares are registered directly in your name, you are a “stockholder of record” who may vote at the meeting. As the stockholder of record, you have the right to direct the voting of your shares by voting over the Internet, by telephone, by returning your proxy or by voting online during the Annual Meeting.

If your shares are held in an account at a bank or at a brokerage firm or other nominee holder, you are considered the beneficial owner of shares held in “street name,” and these proxy materials are being forwarded to you by your bank, broker or other nominee who is considered the stockholder of record for purposes of voting at the Annual Meeting. As the beneficial owner, you have the right to direct your bank, broker or other nominee on how to vote your shares and to participate in the virtual annual meeting. You will receive instructions from your bank, broker or other nominee explaining how you can vote your shares and whether they permit Internet or telephone voting. Follow the instructions from your bank, broker or other nominee included with these proxy materials, or contact your bank, broker or other nominee to request a proxy form. We encourage you to provide voting instructions to your bank, broker or other nominee by giving your proxy to them. This ensures that your shares will be voted at the annual meeting according to your instructions. **You will not be able to vote shares you hold in “street name” at the annual meeting; instead you must instruct your bank, broker or other nominee in advance of the meeting.**

[Table of Contents](#)

Can I change my vote?

You may revoke your proxy at any time before it is voted by notifying the Secretary in writing, by returning a signed proxy with a later date, by transmitting a subsequent vote over the Internet or by telephone prior to the close of the Internet voting facility or the telephone voting facility. You may also attend the virtual meeting and vote during the meeting. If your stock is held in street name, you must contact your broker or nominee for instructions as to how to change your vote.

How is a quorum reached?

The presence, by virtual attendance or by proxy, of holders of at least a majority of the outstanding shares entitled to vote, present in person or represented by proxy is necessary to constitute a quorum for the transaction of business at the Annual Meeting. Shares held of record by stockholders or brokers, bankers or other nominees who do not return a signed and dated proxy or attend the Annual Meeting virtually will not be considered present or represented at the Annual Meeting and will not be counted in determining the presence of a quorum. Abstentions and broker non-votes, if any, will be counted for purposes of determining whether a quorum is present for the transaction of business at the meeting.

What happens if the meeting is postponed or adjourned?

Your proxy may be voted at the postponed or adjourned meeting. You will still be able to change your proxy until it is voted.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published in a Current Report on Form 8-K (“Form 8-K”), that we expect to file with the SEC within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Form 8-K within four business days after the Annual Meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Form 8-K to publish the final results.

What does it mean if I receive more than one proxy card or voting instruction form?

It means that you have multiple accounts at the transfer agent or with brokers. Please complete and return all proxy cards or voting instruction forms to ensure that all of your shares are voted.

What if I have technical difficulties or trouble accessing the Annual Meeting?

If you encounter any technical difficulties with the virtual meeting platform on the meeting day, please call the technical support number that will be posted on the virtual shareholder meeting log-in page. Technical support will be available starting at 9:40 a.m. Central Time on May 25, 2021 and will remain available until the Annual Meeting has ended.

Implications of being an “emerging growth company.”

We are an emerging growth company, as defined in the Jumpstart Our Business Startups Act of 2012, or the JOBS Act. For as long as we continue to be an emerging growth company, we may take advantage of exemptions from various reporting requirements that are applicable to public companies that are not emerging growth companies, including not being required to comply with the auditor attestation requirements of Section 404 of the Sarbanes-Oxley Act, reduced disclosure obligations regarding executive compensation in our periodic reports and proxy statements, and exemptions from the requirements of holding nonbinding advisory votes on executive compensation and stockholder approval of any golden parachute payments not previously approved. We will

[Table of Contents](#)

remain an emerging growth company until the earliest of (i) the last day of the fiscal year (a) in which we are deemed to be a “large accelerated filer” under the Exchange Act, (b) in which we have total annual gross revenue of at least \$1.07 billion, or (c) following the fifth anniversary of the closing of our initial public offering; or (ii) the date on which we have issued more than \$1 billion in non-convertible debt in the prior three-year period.

Who should I call if I have any additional questions?

If you hold your shares directly, please call the General Counsel of the Company at (512) 892-0400. If your shares are held in street name, please contact the telephone number provided on your voting instruction form or contact your broker or nominee holder directly.

BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Board of Directors

Our board of directors consists of nine directors. Each of our directors will continue to serve as a director until the election and qualification of his or her successor or until his or her earlier death, resignation or removal. The authorized number of directors may be changed by resolution of our board of directors. Vacancies on our board of directors can be filled by resolution of our board of directors.

Our board of directors is divided into three classes, each serving staggered, three-year terms:

- our Class I directors are Brandon Van Buren, a designee of the Nebula Holdings, LLC, and Gene Yoon, a designee of the Bregal Sagemount I, L.P., and Eric A. Feldstein with terms expiring at the 2021 annual meeting of stockholders;
- our Class II directors are Adam H. Clammer, a designee of the Nebula Holdings, LLC, and Blair J. Greenberg, a designee of the Bregal Sagemount I, L.P., and Shubhi Rao with terms expiring at the 2022 annual meeting of stockholders; and
- our Class III directors are John J. Flynn, Open Lending's Chief Executive Officer, and Ross M. Jessup, Open Lending's President and Chief Operating Officer, both of whom are designees of Open Lending's founders, and Jessica Snyder with terms expiring at the 2023 annual meeting of stockholders.

Each of Nebula Holdings, LLC, Bregal Sagemount I, L.P. and Open Lending are entitled to designate a certain number of directors for five years following the closing of the company's merger with Nebula on June 10, 2020, subject to certain stock ownership requirements.

As a result of the staggered board, only one class of directors will be elected at each annual meeting of stockholders, with the other classes continuing for the remainder of their respective terms.

Independence of our Board of Directors

Our board of directors has undertaken a review of the independence of each director. Based on information provided by each director concerning his or her background, employment, and affiliations, our board of directors has determined that the board of directors will meet independence standards under the applicable rules and regulations of the SEC and the listing standards of NASDAQ. In making these determinations, our board of directors considered the current and prior relationships that each non-employee director has with our company and all other facts and circumstances our board of directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director, and the transactions involving them described in the sections titled “*Certain Open Lending Relationships and Related Party Transactions*” and “*Certain Nebula Relationships and Related Person Transactions*.”

Board Meetings and Attendance

Our board of directors held three meetings during the fiscal year ended December 31, 2020. Each of the directors attended at least 75% of the meetings of the board of directors and the committees of the board of directors on which he or she served during the fiscal year ended December 31, 2020 (in each case, which were held during the period for which he or she was a director and/or a member of the applicable committee). The Company encourages its directors to attend the Annual Meeting of Stockholders.

Board Committees

Our board of directors has three standing committees: an audit committee; a compensation committee; and a nominating and corporate governance committee. Each of the committees will report to the board of directors as it deems appropriate and as the board of directors may request. The expected composition, duties and responsibilities of these committees are set forth below. In the future, our board of directors may establish other committees, as it deems appropriate, to assist it with its responsibilities. Audit Committee

Eric A. Feldstein, Shubhi Rao, and Jessica Snyder serve as members of the audit committee, with Ms. Snyder serving as the chair. Subject to phase-in rules and a limited exception, the rules of NASDAQ and Rule 10A-3 of the Exchange Act require that the audit committee of a listed company be comprised solely of independent directors. Our audit committee will meet the requirements for independence of audit committee members under applicable SEC and NASDAQ rules. All of the members of our audit committee meet the requirements for financial literacy under the applicable rules and regulations of the SEC and NASDAQ. In addition, Ms. Snyder qualifies as our “audit committee financial expert,” as such term is defined in Item 407 of Regulation S-K.

The audit committee provides assistance to our board of directors in fulfilling its legal and fiduciary obligations in matters involving our accounting, auditing, financial reporting, internal control and legal compliance functions by approving the services performed by our independent registered public accounting firm and reviewing their reports regarding our accounting practices and systems of internal accounting controls. The audit committee also oversees the audit efforts of our independent registered public accounting firm and takes those actions as it deems necessary to satisfy itself that the independent registered public accounting firm is independent of management. Our board of directors has adopted a new written charter for the audit committee, which is available on our website.

Compensation Committee

Adam H. Clammer, Blair J. Greenberg, and Shubhi Rao on the Company’s compensation committee, with Mr. Greenberg serving as the chair. Each member of our compensation committee will be independent, as defined under the NASDAQ listing rules, and satisfies NASDAQ’s additional independence standards for compensation committee members. Each member of our compensation committee is a non-employee director (within the meaning of Rule 16b-3 under the Exchange Act).

The compensation committee will determine our general compensation policies and the compensation provided to our officers. The compensation committee will also make recommendations to our board of directors regarding director compensation. In addition, the compensation committee will review and determine share-based compensation for our directors, officers, employees and consultants and will administer our equity incentive plans. Our compensation committee will also oversee our corporate compensation programs. Our board of directors has adopted a new written charter for the compensation committee, which is available on our website.

Nominating and Corporate Governance Committee

Adam H. Clammer, Jessica Snyder and Gene Yoon serve on the Company’s nominating and corporate governance committee, with Mr. Yoon serving as the chair. Each member of our nominating and corporate governance committee will be independent as defined under the NASDAQ listing rules.

[Table of Contents](#)

The nominating and corporate governance committee is responsible for making recommendations to our board of directors regarding candidates for directorships and the size and composition of the board. In addition, the nominating and corporate governance committee will be responsible for overseeing our corporate governance guidelines and reporting and making recommendations to the board of directors concerning corporate governance matters. Our board of directors has adopted a new written charter for the nominating and corporate governance committee, which is available on our website.

Identifying and Evaluating Director Nominees

The board of directors' delegates the selection and nomination process to the nominating and corporate governance committee, with the expectation that other members of the board of directors, and of management, will be requested to take part in the process as appropriate.

Generally, our nominating and corporate governance committee identifies candidates for director nominees in consultation with management, through the use of search firms or other advisors, through the recommendations submitted by stockholders or through such other methods as the nominating and corporate governance committee deems to be helpful to identify candidates. Once candidates have been identified, our nominating and corporate governance committee confirms that the candidates meet all of the minimum qualifications for director nominees established by the nominating and corporate governance committee. The nominating and corporate governance committee may gather information about the candidates through interviews, detailed questionnaires, background checks or any other means that the nominating and corporate governance committee deems to be appropriate in the evaluation process. The nominating and corporate governance committee then meets as a group to discuss and evaluate the qualities and skills of each candidate, both on an individual basis and taking into account the overall composition and needs of our board of directors. Based on the results of the evaluation process, the nominating and corporate governance committee recommends candidates for the board of directors' approval as director nominees for election to the board of directors.

Communication with the Directors of Open Lending

Any interested party with concerns about our company may report such concerns to the board of directors or the Chairman of our board of directors or nominating and corporate governance committee, by submitting a written communication to the attention of such director at the following address:

c/o Open Lending Corporation
1501 S. MoPac Expressway
Suite 450
Austin, Texas 78746
Attn: General Counsel

You may submit your concern anonymously or confidentially by postal mail. You may also indicate whether you are a stockholder, supplier, or other interested party.

A copy of any such written communication may also be forwarded to the Company's legal counsel and a copy of such communication may be retained for a reasonable period of time. The director may discuss the matter with the Company's legal counsel, with independent advisors, with non-management directors, or with the Company's management, or may take other action or no action as the director determines in good faith, using reasonable judgment, and applying his or her own discretion.

Communications may be forwarded to other directors if they relate to important substantive matters and include suggestions or comments that may be important for other directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to ordinary business affairs, personal grievances, and matters as to which we receive repetitive or duplicative communications.

The audit committee oversees the procedures for the receipt, retention, and treatment of complaints received by the Company regarding accounting, internal accounting controls, or audit matters, and the confidential, anonymous submission by employees of concerns regarding questionable accounting, internal accounting controls or auditing matters.

Role of Our Board of Directors in Risk Oversight

One of the key functions of our board of directors is informed oversight of our risk management process. Our board of directors administers this oversight function directly through our board of directors as a whole, as well as through various standing committees of our board of directors that address risks inherent in their respective areas of oversight. In particular, our board of directors is responsible for monitoring and assessing strategic risk exposure, and our audit committee will have the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures. The audit committee will also have the responsibility to review with management the process by which risk assessment and management is undertaken, monitor compliance with legal and regulatory requirements, and review the adequacy and effectiveness of our internal controls over financial reporting. Our nominating and corporate governance committee will be responsible for periodically evaluating our company's corporate governance policies and systems in light of the governance risks that our company faces and the adequacy of our company's policies and procedures designed to address such risks. Our compensation committee will assess and monitor whether any of our compensation policies and programs is reasonably likely to have a material adverse effect on our company.

Compensation Committee Interlocks and Insider Participation

No interlocking relationship exists between our board of directors or compensation committee and the board of directors or compensation committee of any other entity, nor has any interlocking relationship existed in the past. None of the members of our compensation committee has at any time during the prior three years been one of our officers or employees.

Code of Business Conduct and Ethics

We are committed to the highest standards of integrity and ethics in the way we conduct our business. Our board of directors has adopted a code of ethics that applies to all of our employees, officers and directors, including our Chief Executive Officer, Chief Financial Officer and other executive and senior financial officers. The full text of our code of ethics is available on our website.

We intend to disclose future amendments to certain provisions of our code of ethics, or waivers of certain provisions as they relate to our directors and executive officers, at the same location on our website or in public filings.

PROPOSAL 1: ELECTION OF THREE CLASS I DIRECTOR NOMINEES

Our board of directors is divided into three classes, with one class of our directors standing for election each year. The members of each class are elected to serve a three-year term with the term of office of each class ending in successive years. Eric A. Feldstein, Brandon Van Buren, and Gene Yoon are the directors whose term expires at this Annual Meeting and each of them has been nominated for and has agreed to stand for re-election to the board of directors to serve as a Class I director of the Company until the 2024 Annual Meeting and until his or her successor is duly elected and qualified. Our articles of incorporation provide that the size of our board of directors will be determined from time to time by resolution of our board of directors. The board of directors currently consists of nine members.

It is intended that, unless you give contrary instructions, shares represented by proxies solicited by the board of directors will be voted for the election of the director nominees listed below. We have no reason to believe that the director nominees will be unavailable for election at the Annual Meeting. Your proxy cannot be voted for a greater number of persons than the number of director nominees named in this proxy statement.

Information relating to the director nominee and each continuing director, including his or her period of service as a director of the Company, principal occupation and other biographical material is shown below.

Voting Requirement to Approve Proposal

For Proposal 1, the three nominees receiving the plurality of votes properly cast will be elected as directors.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR EACH DIRECTOR NOMINEE FOR CLASS I DIRECTOR: ERIC A. FELDSTEIN, BRANDON VAN BUREN, AND GENE YOON (PROPOSAL 1 ON YOUR PROXY CARD)

PROPOSAL 2: RATIFICATION OF THE SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The firm of Ernst & Young LLP, independent registered public accounting firm, has been selected by the audit committee as auditors for the Company for the fiscal year ending December 31, 2021. Ernst & Young LLP has served as the independent registered public accounting firm for the Company since 2020. A representative of Ernst & Young LLP is expected to virtually attend the Annual Meeting with the opportunity to make a statement if he or she desires and to respond to appropriate questions.

The Company's organizational documents do not require that the stockholders ratify the selection of Ernst & Young LLP as the Company's independent registered public accounting firm. The Company requests such ratification as a matter of good corporate practice. The selection of Ernst & Young LLP as our independent registered public accounting firm will be ratified if the votes cast FOR exceed the votes cast AGAINST the proposal. Brokers, bankers and other nominees have discretionary voting power on this routine matter. Abstentions and broker non-votes will have no effect on the ratification. If the stockholders do not ratify the selection, the audit committee will reconsider whether to retain Ernst & Young LLP, but still may retain this firm. Even if the selection is ratified, the audit committee, in its discretion, may change the appointment at any time during the year if it determines that such a change would be in the best interests of the Company and its stockholders.

Independent Registered Public Accounting Firm Fees

The following is a summary and description of fees incurred by the Company for the fiscal years ended December 31, 2020 and 2019.

Fee Category	Year ended December 31, 2020(1)	Year ended December 31, 2019(2)
Audit Fees(3)	\$ 2,299,022	\$ 109,800
Audit-Related Fees	—	—
Tax Fees(4)	311,684	—
All Other Fees	—	—
Total	<u>\$ 2,610,706</u>	<u>\$ 109,800</u>

- (1) Fees paid to Ernst & Young LLP.
- (2) Fees paid by Open Lending LLC to Maxwell Locke & Ritter LLP for AICPA audit fees and tax compliance.
- (3) "Audit Fees" consist of fees for the audit of our annual consolidated financial statements, registration statements on Form S-1 and registration statement on Form S-8. "Audit Fees" also includes fees for the audit of Open Lending LLC's consolidated financial statements for 2019, 2018 and 2017 which Ernst & Young was engaged to perform in 2020.
- (4) Excludes \$145,250 to Maxwell Locke & Ritter LLP for tax compliance services in 2020.

Pre-Approval Policies and Procedures

The Company's audit committee has adopted procedures requiring the pre-approval of all non-audit services performed by the Company's independent registered public accounting firm in order to assure that these services do not impair the auditor's independence. These procedures generally approve the performance of specific services subject to a cost limit for all such services. This general approval is to be reviewed, and if necessary modified, at least annually. Management must obtain the specific prior approval of the audit committee for each engagement of the independent registered public accounting firm to perform other audit-related or other non-audit services. The audit committee does not delegate its responsibility to approve services performed by the independent registered public accounting firm to any member of management.

The standard applied by the audit committee in determining whether to grant approval of any type of non-audit service, or of any specific engagement to perform a non-audit service, is whether the services to be performed,

[Table of Contents](#)

the compensation to be paid for such services and other related factors are consistent with the independent registered public accounting firm's independence under guidelines of the SEC and applicable professional standards. Relevant considerations include whether the work product is likely to be subject to, or implicated in, audit procedures during the audit of our financial statements, whether the independent registered public accounting firm would be functioning in the role of management or in an advocacy role, whether the independent registered public accounting firm's performance of the service would enhance our ability to manage or control risk or improve audit quality, whether such performance would increase efficiency because of the independent registered public accounting firm's familiarity with our business, personnel, culture, systems, risk profile and other factors, and whether the amount of fees involved, or the non-audit services portion of the total fees payable to the independent registered public accounting firm in the period would tend to reduce the independent registered public accounting firm's ability to exercise independent judgment in performing the audit.

Voting Requirement to Approve Proposal

For Proposal 2, a majority of the votes properly cast is required to ratify the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2021.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT YOU VOTE FOR THE RATIFICATION OF THE SELECTION OF ERNST & YOUNG LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM (PROPOSAL 2 ON YOUR PROXY CARD)

AUDIT COMMITTEE REPORT

Report of the Audit Committee of the Board of Directors

This report is submitted by the audit committee of the board of directors (the “Board”) of Open Lending Corporation (the “Company”). The audit committee currently consists of the three directors whose names appear below. None of the members of the audit committee is an officer or employee of the Company, and the Board has determined that each member of the audit committee is “independent” for audit committee purposes as that term is defined under Rule 10A-3 of the Exchange Act, and the applicable rules of the Nasdaq Stock Market LLC (“NASDAQ”). Each member of the audit committee meets the requirements for financial literacy under the applicable rules and regulations of the SEC and NASDAQ. The Board has designated Ms. Snyder as an “audit committee financial expert,” as defined under the applicable rules of the SEC. The audit committee operates under a written charter adopted by the Board.

The audit committee’s general role is to assist the Board in monitoring our financial reporting process and related matters. Its specific responsibilities are set forth in its charter.

The audit committee has reviewed the Company’s financial statements for the fiscal year ended December 31, 2020 and met with management, as well as with representatives of Ernst & Young LLP, the Company’s independent registered public accounting firm, to discuss the consolidated financial statements. The audit committee also discussed with members of Ernst & Young LLP the matters required to be discussed by the Auditing Standard No. 1301, “Communication with Audit Committees,” as adopted by the Public Company Accounting Oversight Board.

In addition, the audit committee received the written disclosures and the letter from Ernst & Young LLP required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant’s communications with the audit committee concerning independence, and discussed with members of Ernst & Young LLP its independence.

Based on these discussions, the financial statement review and other matters it deemed relevant, the audit committee recommended to the Board that the Company’s audited consolidated financial statements for the fiscal year ended December 31, 2020 be included in its Annual Report on Form 10-K for the year ended 2020.

The information contained in this audit committee report shall not be deemed to be “soliciting material,” “filed” or incorporated by reference into any past or future filing under the Securities Exchange Act of 1934 or the Securities Act of 1933 unless and only to the extent that the Company specifically incorporates it by reference.

Respectfully submitted by the
Audit Committee,

Base Salaries

Each of our named executive officers receives a base salary which has been established by our compensation committee or board of directors, as applicable, taking into account each individual's role, responsibilities, skills, and experience. Base salaries for our named executive officers are reviewed annually by our compensation committee or board of directors, as applicable, and adjusted from time to time to realign salaries with market levels after taking into account individual responsibilities, performance and experience.

For the year ended December 31, 2020, the annual base salaries for each of Messrs. Flynn, Jessup, and Jehl were \$500,000, \$500,000, and \$375,000, respectively.

Annual Cash Bonuses

In November 2020, we adopted a Senior Executive Cash Incentive Bonus Plan, or the Bonus Plan. Each of our named executive officers is eligible to earn an annual cash incentive bonus based on company and individual achievement of performance targets established by our compensation committee or board of directors, as applicable, in their discretion. The payment targets will be related to financial and operational measures or objectives with respect to our company, or corporate performance goals, as well as individual performance objectives. Each executive officer who is selected to participate in the Bonus Plan will have a target bonus opportunity set for each performance period. The bonus formulas will be adopted in each performance period by the compensation committee and communicated to each executive.

[Table of Contents](#)

For 2020, each of Messrs. Flynn, Jessup, and Jehl were eligible to earn a target bonus amount, which reflects a percentage of their annual base salaries, of 80%, 80%, and 80%, respectively. In addition, the percentage of annual base salaries for Messrs. Flynn, Jessup and Jehl is subject to increase upon attainment of stretch performance up to 125% of their respective annual base salaries.

The corporate performance goals will be measured at the end of each performance period after our financial reports have been published or such other appropriate time as the compensation committee determines. If the corporate performance goals and individual performance objectives are met, payments will be made as soon as practicable following the end of each performance period, but not later than March 15 after the end of the fiscal year in which such performance period ends. Subject to the rights contained in any agreement between the executive officer and us, an executive officer must be remain in a service relationship with us on the bonus payment date to be eligible to receive a bonus payment.

With respect to fiscal year ended December 31, 2020, approximately 85% of each named executive officer's bonus was based on achievement of company revenue and EBITDA targets and the remaining approximately 15% of the bonus was based on achievement of individual goals established for and agreed to by the applicable executive. For fiscal year ended December 31, 2020, performance was in excess of target and reached certain stretch thresholds resulting in Messrs. Flynn, Jessup and Jehl receiving 106%, 114% and 114% of their respective annual base salaries. The bonuses paid to each named executive officer for the fiscal year ended December 31, 2020 are set forth above in the "Summary Compensation Table" in the column entitled "*Non-Equity Incentive Plan Compensation*."

The board also has the discretion to grant additional discretionary bonuses to our named executive officers on a case-by-case basis. Equity Compensation

Equity-based compensation is an integral part of our overall compensation program. Providing named executive officers with the opportunity to create significant wealth through stock ownership is a powerful tool to attract and retain highly-qualified executives, achieve strong long-term stock price performance, align our executives' interests with those of our stockholders and provide a means to build real ownership in the Company. In addition, the vesting feature of our equity grants contributes to executive retention.

During the fiscal year ended December 31, 2020, we granted restricted stock units to each of our named executive officers, as shown in more detail in the "Outstanding Equity Awards at Fiscal Year-End 2020" table below.

Employee Benefit Plans

We also maintain a 401(k) plan for the benefit of its eligible employees, including the named executive officers, as discussed in the section below entitled "*—401(k) plan*."

401(k) Plan

We maintain a retirement savings plan, or 401(k) plan, that provides eligible U.S. employees with an opportunity to save for retirement on a tax advantaged basis. Under the Lenders Protection, LLC Employee 401(k) Plan, or the 401(k) Plan, eligible employees may defer eligible compensation subject to applicable annual contribution limits imposed by the Code. Our employees' pre-tax contributions are allocated to each participant's individual account and participants are immediately and fully vested in their contributions. Under the provisions of the

[Table of Contents](#)

401(k) Plan, we make a safe harbor nonelective contribution equal to 3% of each participant's compensation and may make discretionary matching contributions, as well as profit sharing contributions, as determined by management in its discretion. The 401(k) Plan is intended to be qualified under Section 401(a) of the Code with the 401(k) Plan's related trust intended to be tax exempt under Section 501(a) of the Code. As a tax-qualified retirement plan, contributions to the 401(k) Plan and earnings on those contributions are not taxable to the employees until distributed from the 401(k) plan. The Company made safe harbor non-elective contributions of \$377,724 to the 401(k) Plan during the year ended December 31, 2020.

Compensation Committee Chair	\$10,000
Nominating and Corporate Governance Committee Chair	\$10,000

Committee chair retainers are in addition to retainers for members of the board of directors. No additional compensation will be paid for attending any Board meetings or other individual committee meetings of the Board.

Initial Grants

In addition, the Policy provides for an initial, one-time restricted stock unit award, or Initial Award, with a Value (as defined in the Policy) of \$50,000 to each new Outside Director (other than an Investor Director) upon his or her election to the Board, which shall vest in full on the first anniversary of the date of grant. We will reimburse all reasonable out-of-pocket expenses incurred by Outside Directors for their attendance at meetings of the Board or any committee thereof.

Compensation risk assessment

We believe that our executive compensation program does not encourage excessive or unnecessary risk taking. This is primarily due to the fact that our compensation programs are designed to encourage our executive officers and other employees to remain focused on both short-term and long-term strategic goals, in particular in connection with our pay-for-performance compensation philosophy. As a result, we do not believe that our compensation programs are reasonably likely to have a material adverse effect on us.

Agreements with Stockholders

Investor Rights Agreement

In connection with the Business Combination, Open Lending entered into an investor rights agreement with the NAC Investors and Company Investors, as defined in schedule 1 to the investor rights agreement, BRP Hold 11, Inc. and Open Lending Corporation.

Agreement with Bregal Sagemount I, L.P.

Bregal Sagemount I, L.P. is the beneficial owner of units in Open Lending. Bregal Investments, Inc. is the investment advisor to Bregal Sagemount I, L.P. Mr. Yoon is a Managing Partner and Mr. Greenberg is a partner at Bregal Investments, Inc. and both serve on Open Lending's board of directors on behalf of Bregal Sagemount I, L.P. Pursuant to a Class B Unit Incentive Plan agreement, Bregal Investments, Inc. received 40,000 profit interest units in 2019.

Repurchase Agreements

On December 7, 2020, we entered into a stock repurchase agreement (the "December Repurchase Agreement") with the selling stockholders pursuant to which we agreed to purchase \$37.5 million of common stock from the selling stockholders at the price at which the shares of common stock are sold to the public in this offering, less the underwriting discount and commissions (the "December Repurchase"). Closing of the December Repurchase occurred on December 14, 2020. The shares bought in the Repurchase are held as treasury shares.

On March 29, 2021, we entered into a stock repurchase agreement (the "Repurchase Agreement") with the selling stockholders pursuant to which we agreed to purchase \$20.0 million of common stock from the selling stockholders at the price at which the shares of common stock are sold to the public in this offering, less the underwriting discount and commissions (the "Repurchase"). Closing of the Repurchase occurred on April 6, 2021. The shares bought in the Repurchase are held as treasury shares.

Amendment No. 1 to the Tax Receivable Agreement

Effective April 9, 2021, the Company entered into Amendment No. 1 (the "Amendment") to the Tax Receivable Agreement (the "TRA") dated as of June 10, 2020 by and among the Company, Bregal Sagemount I, L.P. and the persons listed as Beneficiaries on the signature pages thereto (the "Beneficiaries" and together with the Bregal Sagemount I L.P., the "TRA Holders").

Table of Contents

The TRA provided for the payment by the Company to the TRA Holders of 85% of the net cash savings, if any, in U.S. federal, state and local income tax that the Company actually realized (or are deemed to realize in certain circumstances) in periods following the closing of the Business Combination as a result of: (i) certain tax attributes of BRP Hold 11, Inc. and/or Open Lending LLC that existed prior to the Business Combination and were attributable to the BRP Hold 11, Inc.; (ii) certain increases in the tax basis of Open Lending LLC's assets resulting from the transactions constituting the Business Combination; (iii) imputed interest deemed to be paid by the Company as a result of payments the Company makes under the TRA; and (iv) certain increases in tax basis resulting from payments the Company makes under the TRA (collectively, the "Tax Benefit Payments"). The Company retains the benefit of the remaining 15% of these cash savings. At December 31, 2020, the Company's liability for expected Tax Benefit Payments was \$92.4 million.

Prior to the Amendment, the TRA provided that the Company was permitted to exercise an early termination right, which would accelerate the Tax Benefit Payments payable to the TRA Holders under the TRA. Upon the exercise of such early termination right (if ever) under the existing TRA, the Company would be required to make payments to the TRA Holders equal to the present value, discounted at the early termination rate (equal to the long-term treasury rate in effect plus 300 basis points), of all Tax Benefit Payments that would be required to be paid under the TRA, using certain valuation assumptions (the "Existing Valuation Assumptions").

The Amendment provides that in lieu of the early termination payments described in the preceding paragraph, the TRA Holders will instead be entitled to payments equal to 40% of all Tax Benefit Payments (other than any Actual Interest Amounts (as defined in the TRA)) that would be required to be paid by the Company under the TRA, using certain valuation assumptions (the "Revised Valuation Assumptions") that are different than the Existing Valuation Assumptions. The Revised Valuation Assumptions are consistent with how the Tax Benefit Payments are calculated for purposes of the Company's financial statements and are not expected to be significantly different than the Tax Benefit Payments that would be payable using the Existing Valuation Assumptions. Accordingly, the Amendment provides the Company with the right to terminate and settle all present and future obligations under the TRA with a single payment by the Company to the TRA Holders of \$36.9 million (the "Early Termination Right"). Absent the Amendment and the exercise of the Early Termination Right, the Company anticipated making TRA payments totaling \$92.4 million, undiscounted, over the life of the TRA.

In addition, the Amendment provides that upon exercise of the early termination right by the Company, the applicable early termination payments will be made within 5 business days following the Company's delivery of notice of such exercise and a schedule containing the amount of the early termination payments. Prior to the Amendment, the TRA included certain procedures that were required to be followed and that would have resulted in a longer time period for payment.

Bregal Sagemount I, L.P., owns approximately 7% of the Company's outstanding shares of the Company's common stock. Gene Yoon is the managing director, and Blair Greenberg is a director, of Bregal Investments, Inc., which is the registered investment advisor of Bregal Sagemount I, L.P. Bregal Sagemount I, L.P. and Bregal Investments, Inc. are TRA Holders. Mr. Yoon and Mr. Greenberg are members of the Company's Board of Directors. John Flynn, Chairman of the Company's Board of Directors and the Company's Chief Executive Officer, along with Ross Jessup, the Company's President and Chief Operating Officer and member of the Company's Board of Directors, are Beneficiaries under the TRA. A special committee of the Board of Directors of the Company, consisting solely of independent directors (the "Special Committee"), negotiated and approved the Amendment.

On April 12, 2021, the Special Committee approved the Company's decision to exercise the Early Termination Right.

Loans to Executive Officers

On March 25, 2020, Ross Jessup borrowed \$6,000,000 from Open Lending LLC in accordance with a specified promissory note. Such promissory note was paid in full by Mr. Jessup on March 30, 2020, with proceeds received as a result of a non-liquidating distribution paid by Open Lending LLC to its unitholders.

Limitation of Liability and Indemnification of Officers and Directors

In connection with the Business Combination, Open Lending entered into indemnification agreements with each of Open Lending's directors and executive officers. Policies for Approval of Related Party Transactions

Policies and Procedures for Related Person Transactions

Our audit committee has the primary responsibility for reviewing and approving or disapproving "related party transactions," which are transactions between the Company and related persons in which the aggregate amount involved exceeds or may be expected to exceed \$120,000 and in which a related person has or will have a direct or indirect material interest. The written charter of our audit committee provides that our audit committee shall review and approve in advance any related party transaction.

Review and Approval of Related Person Transactions

In connection with the Business Combination, we adopted a formal written policy for the review and approval of transactions with related persons. Such policy requires, among other things, that:

- The audit committee shall review the material facts of all related person transactions.
- In reviewing any related person transaction, the committee will take into account, among other factors that it deems appropriate, whether the related person transaction is on terms no less favorable to us than terms generally available in a transaction with an unaffiliated third-party under the same or similar circumstances and the extent of the related person's interest in the transaction.
- In connection with its review of any related person transaction, we shall provide the committee with all material information regarding such related person transaction, the interest of the related person and any potential disclosure obligations of ours in connection with such related person transaction.
- If a related person transaction will be ongoing, the committee may establish guidelines for our management to follow in its ongoing dealings with the related person.

Policy Regarding Derivatives, Short Sales, Hedging or Pledging

The board of directors annually reviews and approves the Company's policy with regard to insider trading. The Company's Special Trading Procedures for Insiders prohibits insiders from pledging shares on margin, trading derivative securities of the Company or any derivative securities that provide the economic equivalent of ownership of any of the Company's securities or an opportunity, direct or indirect, to profit from any change in the value of the Company's securities or engage in any other hedging transaction with respect to the Company's securities, at any time unless such transaction has been approved by the Audit Committee. The Company also prohibits engaging in short sales of the Company's securities.

OTHER MATTERS

Stockholder Recommendations for Director Nominations

Our by-laws provide that, for nominations of persons for election to our board of directors or other proposals to be considered at an annual meeting of our stockholders, a stockholder must give written notice to our Secretary at Open Lending Corporation, 1501 S. MoPac Expressway, Austin, Texas 78746, not later than the close of business 90 days, nor earlier than the close of business 120 days, prior to the first anniversary of the date of the preceding year's annual meeting. However, our by-laws also provide that in the event the date of the annual meeting is more than 30 days before or more than 60 days after such anniversary date, notice must be delivered not later than the close of business on the later of the 90th day prior to such annual meeting or the 10th day following the day on which public announcement of the date of such meeting is first made. Any nomination must include all information relating to the nominee that is required to be disclosed in solicitations of proxies for election of directors in election contests or is otherwise required under Regulation 14A of the Exchange Act, the person's written consent to be named in the Proxy Statement and to serve as a director if elected and such information as we might reasonably require to determine the eligibility of the person to serve as a director. As to other business, the notice must include a brief description of the business desired to be brought before the meeting, the reasons for conducting such business at the meeting, and any material interest of such stockholder (and the beneficial owner) in the proposal. The proposal must be a proper subject for stockholder action. In addition, to make a nomination or proposal, the stockholder must be of record at the time the notice is made and must provide certain information regarding itself (and the beneficial owner), including the name and address, as they appear on our books, of the stockholder proposing such business, the number of shares of our capital stock which are, directly or indirectly, owned beneficially or of record by the stockholder proposing such business or its affiliates or associates (as defined in Rule 12b-2 promulgated under the Exchange Act) and certain additional information.

The advance notice requirements for the Annual Meeting are as follows: a stockholder's notice shall be timely if delivered to our corporate Secretary prior to the meeting at which the action is to be taken. Generally, to be timely, notice must be received at our principal executive offices not less than 90 days nor more than 120 days prior to the first anniversary of the date of the annual meeting for the preceding year. Our by-laws specify the requirements as to form and content of all stockholders' notices. These requirements may preclude stockholders from bringing matters before the stockholders at an annual or special meeting.

Requirements for Stockholder Proposals to be Considered for Inclusion in the Company's Proxy Materials

In addition to the requirements stated above, any stockholder who wishes to submit a proposal for inclusion in our proxy materials must comply with Rule 14a-8 promulgated under the Exchange Act. For such proposals to be included in our proxy materials relating to our 2022 annual meeting of stockholders, all applicable requirements of Rule 14a-8 must be satisfied, and we must receive such proposals no later than December 16, 2021. Such proposals must be delivered to our Secretary at Open Lending Corporation, 1501 S. MoPac Expressway, Austin, Texas 78746.

Solicitation of Proxies

We will pay the cost of solicitation of proxies. Our directors, officers and employees may solicit proxies personally, by telephone, via the internet or by mail without additional compensation for such activities. We also will request persons, firms and corporations holding shares in their names or in the names of their nominees, which are beneficially owned by others, to send a Notice of Internet Availability of Proxy Materials to and obtain proxies from such beneficial owners. We will reimburse such holders for their reasonable expenses.

IMPORTANT NOTICE REGARDING DELIVERY OF STOCKHOLDER DOCUMENTS

We have adopted a procedure called “householding,” which the SEC has approved. Under this procedure, we deliver a single copy of the Notice of Internet Availability and, if applicable, our proxy materials to multiple stockholders who share the same address, unless we have received contrary instructions from one or more of such stockholders. This procedure reduces our printing costs, mailing costs and fees. Stockholders who participate in householding will continue to be able to access and receive separate proxy cards. Upon written or oral request, we will deliver promptly a separate copy of the Notice of Internet Availability and, if applicable, our proxy materials to any stockholder at a shared address to which we delivered a single copy of any of these materials. This request may be submitted by contacting Open Lending Corporation, 1501 S. MoPac Expressway, Austin, Texas 78746, (512) 892-0400, Attention: Secretary. The Company will deliver those documents to such stockholder promptly upon receiving the request. Any such stockholder may also contact our Secretary using the above contact information if he or she would like to receive separate proxy statements, notice of internet availability and annual reports in the future. If you are receiving multiple copies of our annual reports, notice of internet availability and proxy statements, you may request householding in the future by contacting our Secretary.

OTHER BUSINESS

The board of directors knows of no business to be brought before the 2021 Annual Meeting which is not referred to in the accompanying Notice of Annual Meeting. Should any such matters be presented, the persons named in the proxy shall have the authority to take such action in regard to such matters as in their judgment seems advisable. If you hold shares through a broker, bank or other nominee as described above, they will not be able to vote your shares on any other business that comes before the 2021 Annual Meeting unless they receive instructions from you with respect to such matter.
